We Are Tomorrow

We are who we are.

Hur years have held a unique arrangement of encounters and ideas to cherish in the morning the infinite liberty of our own reality.

this unique arrangement past like foregotten music re-coptured in a mointent of mind remembered of ouestion and response of people and their speechless, selfless sacrifice.

passing years, an array of discoveries. making us free....thru knowledge.

This year our class has had a totally new experience which no other class at Bourne has had. We have with us this year our first foreign exchange student, Mercedes Elens Contreras. Her smiling face has shone here at Bourne all year and those who have come to know her see the wonderful spirit which thrives within her heart. When reading the following, it is easy to feel her zest for life and friendly enthusiasm:

''I am really happy to have had this opportunity to come to the United States because I've really learned the customs and the feelings for different people as well as English.

I've learned how people think and live here. I found here many wonderful people; so many that have helped me always. I feel as though I'd like to say ''Thank you'' to all of them.''

To the Class of 1976:

You were incoming freshmen the year I became principal and therefore hold a special place in my heart as you represent the first class I have seen through a complete four-year cycle at Bourne High School.

In that time we have had quite a few experiences together both individually and as a group. I

cherish many great memories of this class and the achievements of the young men and women in it. I know that generally many of you feel that I have not allowed you the freedom of action that is worthy of your maturity. To that I would answer that l believe that high school experience is the last opportunity to provide the young people of America with direction and guidance in proper social and moral behavior. If we cannot uphold the principles of good conduct and respect for the rights of the majority in high school, we cannot expect that this will be upheld in later life. I only hope that we have succeeded in helping you develop a philosophy of life that includes honesty and concern for others in all your dealings.

May I extend to each graduating senior my sincere wish that your life will bring you happiness and fulfillment.

William A. Cook Principal

February is waning beneath the strain of time.

A thought that greatly distresses

For what am I - but today?

I am yesterday - many of them. And I will be tomorrow -Until all my Februarys have waned.

To Assuage Your Rage of the Cage The zest of the senior to flee from the cage

Can cloud out his/her reason for playing this stage.

After four rule-filled years of DO and DON'T

He/she clamors for freedom to ''do his own wont.''

So why must you act out this timeless charade?

To just please some folks who think you've "got it made?"

The reason so clouded and jaded by youth

Is simply to help you discover "THE" truth!

Dedication

How is it possible to write about a woman who is kind and generous and helpful and needed very much without sounding corny? It isn't, so I will shed my indifferent student role for a few minutes to talk about the woman chosen for this year's dedication, Mrs. Alice Koronkiewicz, more simply, Mrs. K. Mrs. K. can be found every day in the Guidance Office (I can't remember her being absent in all my time at B.H.S.) helping nervous freshmen, soothing lovelorn students, madly typing away, handing out Learner's Permits Applications, reminding upperclassmen of upcoming S.A.T.s, gently scolding a failing senior . . . I could go on indefinitely. Mrs. K. is our substitute mother, our Dear Abby, and most of all, our friend. Thank you Mrs. K., you're a beautiful lady.

Football Cheerleaders

The Football season was one to be remembered. Eight rainy games out of ten did not dampen the pep and enthusiasm of the twelve girl squad who gave their all to support an equally wet football team.

Under the supervision of Mrs. Mona Iwaszko the girls practiced during the whole summer and right through the football season. The girls' spirit was evident from the beginning of the season in September until it ended Thanksgiving Day.

Basketball Cheerleaders

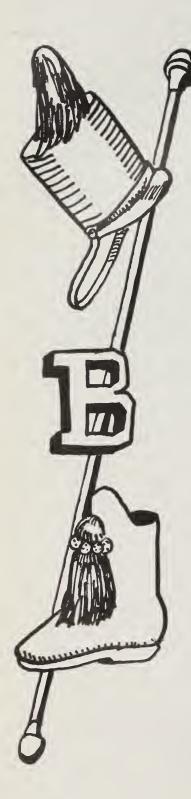

With just a short while to get ready for the basketball season a squad of twelve girls, including ten varsity members and two substitutes, practiced diligently two to two and one-half hours daily.

When the season started these girls were ready to support the team and the student body with their original cheers and endless spirit. Much credit should be given to these girls because they have earned and deserve it.

Majorettes

The majorette squad for the '75 and '76 season was abundant in spirit and talent. The first activity on their busy agenda was twirling at the football games. With Patty Mosher and Linda Raymond as the co-captains, the squad performed at pre-game and during half-time to the spectators' enjoyment. After the last cold football game came the freezing Christmas parades at Hyannis, Falmouth, and Bourne. People lined the streets in 32 weather in order to see the different sizes, shapes, and colors that floated or marched by and to be filled with the X-Mas spirit. Later in

the spring the majorettes marched in the Memorial Day Parade and the new Bicentennial Parade.

With the parades over, the highly competitive tournaments began. Long and hard hours of practice after school and week nights were given up by the two cocaptains and Paula Fraher, Elaine Jenkins, Lorrie Leonard, Laura Ziemba, Lynn Hadad, Kathy Robin, Roseanne Bevilacqua, Robin Maguire, and Heidi Dobbins in order to bring trophies back to Bourne. During the middle of all the tense and nerve-wracking tournaments was the exchange concert. The squad entertained at the home concert but elected not to participate in the away exchange.

This majorette squad worked hard throughout the year to keep up with their busy schedule and they certainly deserve congratulations and thanks for a job well done!

Panxing in the Moonlight"

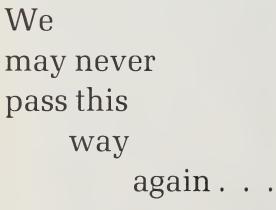

Fall, a chill in the air, bright blowing leaves, football season, and Homecoming. Some hope for dates, pretty girls win, gowns are bought, and suddenly it's November 8. Crepe paper and pumpkins fill the cafeteria, we file in, the band begins and then - We're Dancing In The Moonlight. We dance and laugh and whisper excitedly or sit bored and staring. And then the moment comes, we sit hushed and listen - applause - we have a queen, upon her head a crown of fall. Orion plays ''The Best Of My Love'' and she and her escort dance very slowly. It's a beautiful moonlit night.

Powderpuff Football

On the afternoon of Tues., Nov. 18 the senior girls donned football shirts and tramped to the stadium for the contest of the season, the Powderpuff Football Game. The first competition, Freshmen vs. Sophomores, in which the Sophomores won, was rugged if a little chaotic but was nothing compared to the following game, Juniors vs. Seniors. Although the Juniors attempted to foil the Seniors with the use of foul play, the referees prevailed, and the Seniors, in a dazzling victory, crushed the Juniors by a score of 32-0.

Field Hockey

The Girls Varsity Field Hockey Team ended their season with a record of 3-5-2.

The girls played a very aggressive defense but the team just didn't have any scoring punch. The team was led by the Seniors, Doris Goryl, Sue Burns, Kim Andersen.

Returning next year are many promising players, Karen Dawe, Pam Tobey, Bonnie Cook, Mao O'Neil.

Also returning will be none other than our two ALL STARS Karen Twomey and Melinda Purdy who represented Bourne in the ALL STAR GAME.

The 1975-76 Boys' Varsity basketball team ended out the year with an over all record of 12-10, 8-6 in SMC III, winning all seven of their last games. The second loss to Case put them out of the Tech Tourney, and started their rally of seven straight victories, including two key upsets against the league leaders Norton and Dighton-Rehobeth. The season was the end of the high-school basketball careers for: Pat Ormond, Mike Harrington, Pat Bars, Jamie Dalton, Jim DeCosta, Paul Martineau, Mark Lowe, Jeff Tonello, and the injured, hindered Tony Gaffney.

The outlook for next year's varsity is good with two starters returning, Ricky Cox and Neil Wetherell, along with Tom Norton and Bill Simmons coming back.

SMC IV Champs

Bourne girls could not equal last year's feat of an undefeated season but after suffering the loss of four of last year's varsity the girls did more than hold their own by posting a 9-1 record in league play and 16-4 over all record and once again for the third straight year became reigning Southeastern Mass. Division IV Champs. The girls plan on going all the way in the State Tournament this year even though they have a lack of experience on the team.

On the afternoon of November 7, 1975 Mrs. Ruth Kiniry walked out the doors of Bourne High, a private citizen for the first time in thirty-seven years. She had retired much to the dismay of the rest of the school. 'I'll miss teaching but not correcting papers. I'll gladly give away all my red pencils," she said. Mrs. Kiniry spent the last twentysix years at B.H.S. pushing grammar and preaching literature with the spirit and drive of a woman possessed - she loved teaching. We loved her.

In Memory of Roy Caliri

On Wednesday morning, July 27, 1976, Roy M. Caliri was laid to rest before a small, sober gathering in Lakeville, Mass. It was a quiet ending for a young man of only 25 years who had given so much of his time and effort so that those who knew him might benefit.

To us at Bourne High School, with whom he spent his final year, he was many different things to many different people. To some of us he was a monitor: cheerful and efficient at going about his appointed duties. To others he was a coach, without a doubt the best coach any of us could have asked for or hoped to receive. To all of us he was a friend: someone to talk to, ask for help, or bring our problems to. He truly loved his work and all of those whom he worked with. He had pride in our school and students: indeed, his sincerity and devotion made us who were around him have confidence in ourselves and in our school.

We shall all miss Mr.

Caliri very much in the years to come, in ways that only we in our hearts can know. Yet, no matter how much we praise his virtues and talents no statement could ever sum up Mr. Caliri's life better than the words given to us by the priest who performed his funeral mass when he tried to answer the omnipresent question of why such a wonderful man must leave us all so young.

"Roy's beauty within was just too great for this world."

Golf Team

The 1976 Bourne High School Golf Team, coached by Vern Costa and volunteer assistant Rod Weston, completed a very successful 15-6-1 season. In the tough Division I of the southeastern Massachusetts Conference the Canalmen finished 3-4-1 behind Dennis-Yarmouth Regional and Falmouth High School.

Junior Mitch McCulloch (16-1-3), who lost only one match during the entire season, led the team. He received Honorable Mention recognition on the Boston Globe All-Scholastic Team after a third place tie in the State Schoolboy Championship and runner-up finish in the Cape Cod Schoolboy Tournament.

Junior Captain John Goward (14-6-1) in his third year on the Varsity squad completed another fine year. John also qualified for the State Schoolboy, finished fifth in the Cape Schoolboy and along with Mitch was chosen as a member of the Division I All-Star Team.

Seniors Jay Lindstrom (8-8-1) and Ben Joyce (7-7-4) were steady Varsity players during their last two years at Bourne. Both golfers contributed greatly in Bourne's first defeat of Barnstable in ten years.

Sophomores Steve Pescosolido (11-6-1) and Kim Young (11-5-4) rounded out the Varsity team. Steve's forty-five foot uphill birdie putt highlighted the tie match with Barnstable at Hayannisport, and Kim, a strong match player, came from behind to win or tie several matches throughout the year.

Remaining team members were Seniors Keith Mortensen (6-6-1) and Dave Goulart, Junior Rebecca Sheridan, and Sophomores Larry Garbacik (9-8-1) and Tom Sullivan (7-6-1). Although Coach Costa was pleased with the success of the 1976 team, he hopes that Bourne can challenge Dennis-Yarmouth and win the Division crown in 1977.

Don't Drink the Water —

A Comedy by Woody Allen

He was new, we were nervous and all of us were filled with a child-like enthusiasm. Who could know that after three and a half months of frustrating rehearsals, and a lousy formal dress rehearsal, that we the Senior Class of 1976, the cast members of Woody Allen's ''Don't Drink the Water'' would be reveling in a ''sea of applause'' on the nights of April 9th and 10th.

We were fed, stuffed to be exact, we had been hungry for our peer's approval, our parent's pride and most of all the audience's appreciation. We were satisfied beyond belief, many of us even had dreams of Broadway careers. To know that you performed well is a joy that must be experienced in order to be understood.

The Director had cast well, and characters seemed to be a natural for the actors. Father Drobney, portrayed by Jack Sweeney, was the first on the stage and set the pace for the remaining actors: Walter Hollander; Brian Delancey, Marion Hollander; Patti Cohoon, Susan Hollander; Siobhan Roarke, Ambassador Magee; Paul Robicheau, Axel Magee; Jamie Dal-

Each and everyone of us came away with a feeling of accomplishment and for it we have to thank, our Director, Mr. W. T. Gibbons and Mr. Woody Allen. Thank-you.

The Welcome, ''Senior of the Year Award," Class Ode, Class History, Class Will, Stage Band Selections, Class Prophecy, "Athlete of the Year Award," Awards, and Yearbook Dedication composed Class Day for the graduating Class of '76. A packed gymnasium of wellwishers attended the two-hour program which began and ended with the graduates marching to the tune of ''Pomp and Circumstance." Some laughed, some cried, some were silent, but all will remember this special day preceding our Graduation.

Graduation '76 Class Ode

WE ARE READY

Birds push their young out of the nest; Inside them is fear, and challenge without.

Their new-found wings they've yet to test -

And dreams to find and dreams to doubt.

Nothing starts with the first flutter of wings -

Just a mild disturbance in the running of things.

No more protection or being spoon-fed; Thus, this is where all that training has led.

Just about ready to fly on your own, To finally leave home and go out by yourself;

To make it or not with no safety dome?

To try all the things you've stored on the shelf,

To spread your wings and jump into life;

To search for new knowledge, a husband or wife?

Fly into life, before you're sure of it; Cry, smile, or laugh, you're ALIVE now; DON'T OUIT!
